

HOW TO DOWNLOAD THE ANCHORAGE AREA VFR ARRIVALS/DEPARTURES INTO FOREFLIGHT

Disclaimer: We update the arrival/departure procedures as much as we can. Please verify before each flight with the latest FAA chart supplement to make sure that the procedures downloaded are the most up to date!

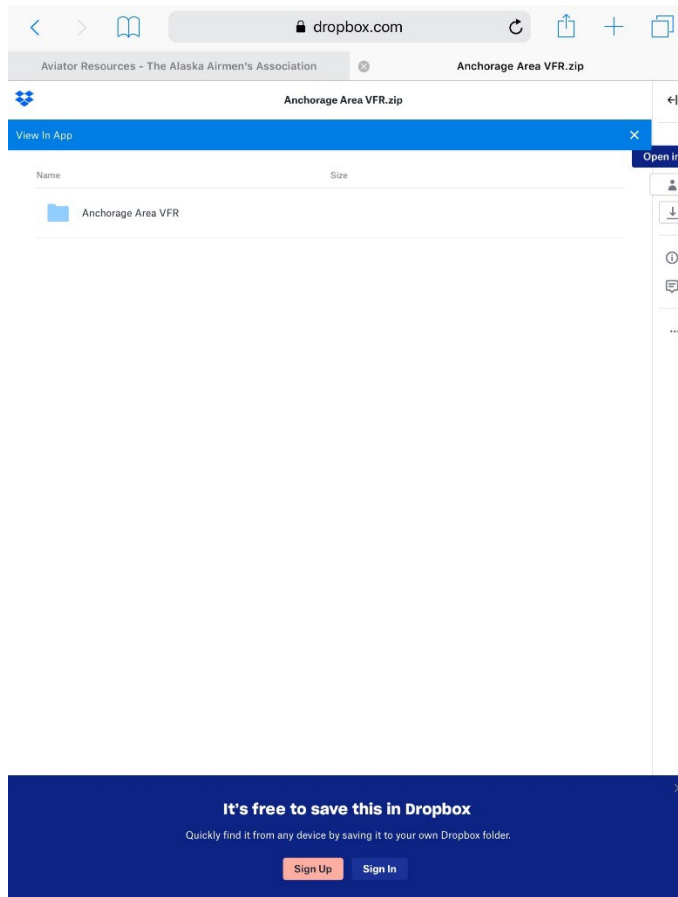

FIRST STEP

- Click the button on our website <https://alaskaairmen.org/aviator-resources/> that says “Click Here to DOWNLOAD”
- The following image should come up on your device

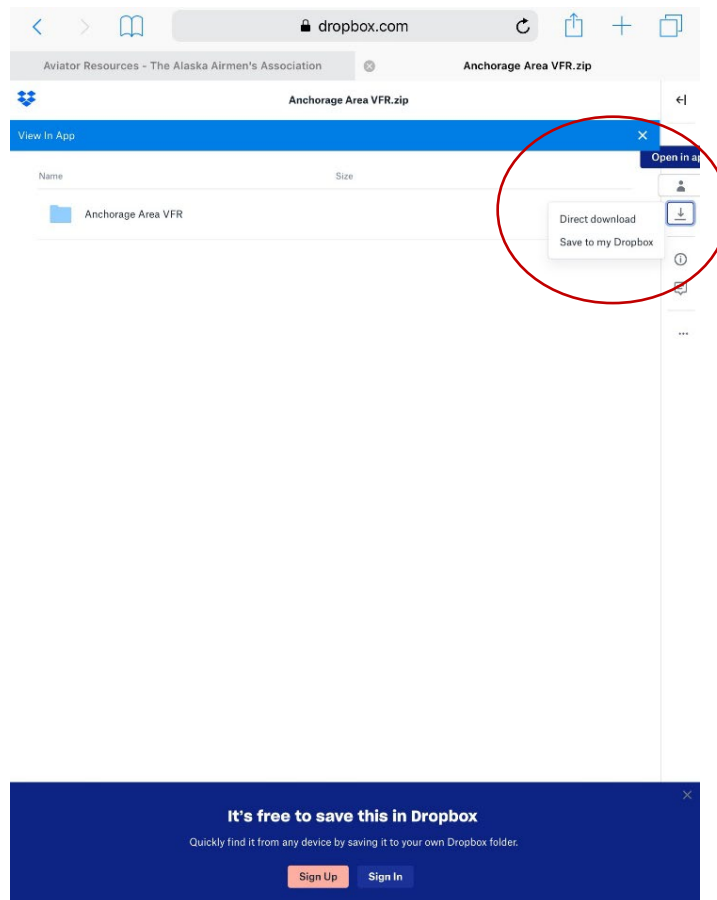

SECOND STEP

- Click “Or continue to website”
- The following image should come up on your device:

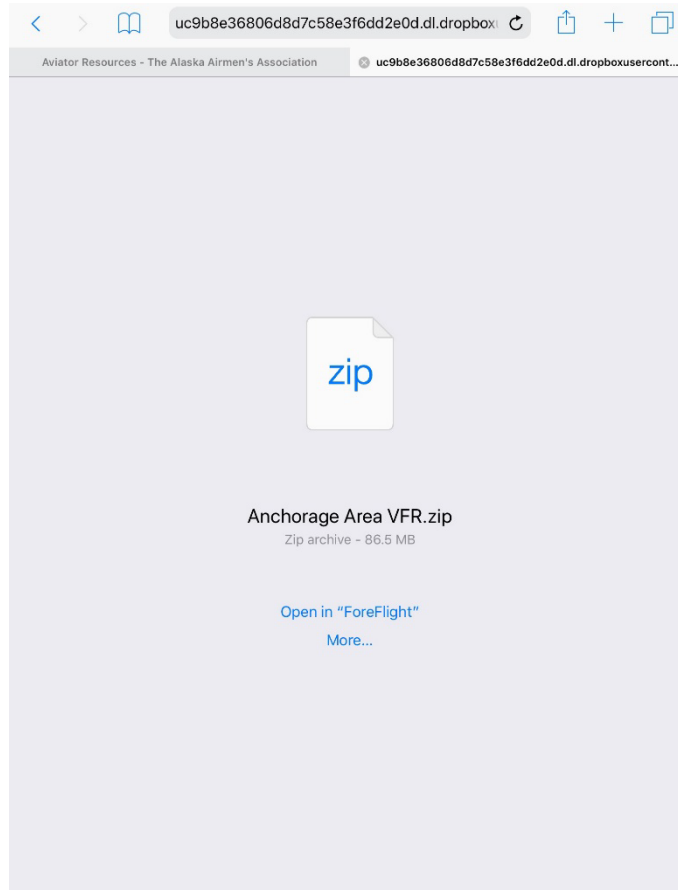

- Click on the button that says "Direct Download"

THIRD STEP

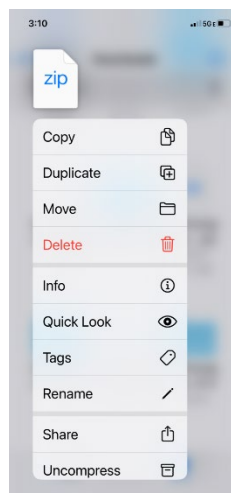

- The following image should come up on your device:

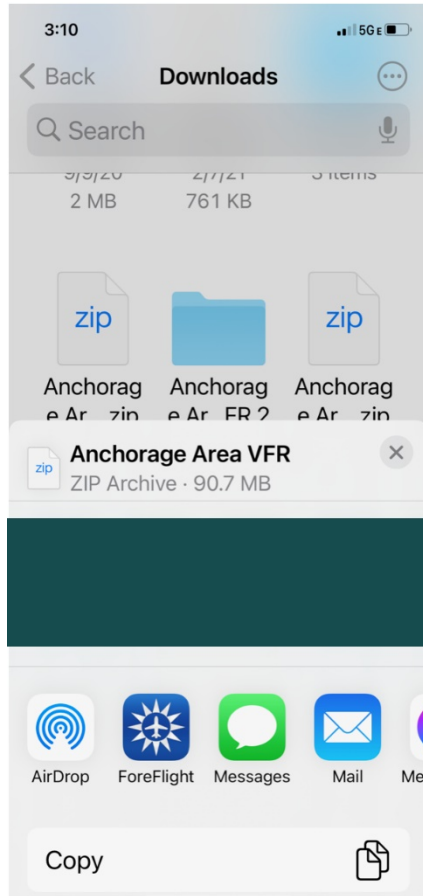

- Click on the button that says “Open in “ForeFlight”
- You should be good to go!

DID NOT SEE THE IMAGE ABOVE?

- Go to your file's folder/app
- Click and Hold down onto the Zip File that was downloaded. The following image should pop up

- Click the “Share” button. You should see the following image:

- Click on the “Foreflight” App displayed in the image.
- You are all set!
